

FOR IMMEDIATE RELEASE

Barry Wernick is running to represent you in Dallas City Council District 11. He has been honored to be the only candidate running that has received Dallas Police Association endorsement and will continue to support and work with our local Police to help keep our community safe.

Barry understands the concerns of Dallas for the simple reason that he was raised here and is one of us. He attended St Marks and then moved on to complete his undergraduate at the University of Texas while receiving a J.D. at S.M.U. right here in Dallas. Part of his collegiate experience was proudly serving as Jewish Law Students Association President and spending time in Tel Aviv in various law programs. These experiences both here in Dallas and abroad made him appreciate the challenges that face everyday people and will serve him well as your Dallas Council person.

Barry strongly values what makes Dallas unique and the issues that are challenging this city. He is determined to work with our law enforcement to roll back the tide of increasing crime along with other elected officials to keep Dallas one of the premier cities in Texas but in the United States. Barry and his wife Alyssa currently reside in Dallas with their three daughters.

He would be honored to receive your confidence in your vote for his election in City Council District 11.

Don't forget! Early Voting is April 18-27th and Election Day is Saturday May 1st.
