## פרשת תצוה \ זכור

With מנורה the שמן זית זך was always burning  
The כ"ג lit it at night with enough oil to last until the \_\_\_\_\_<sup>1</sup>

Special חכמי לב the בגדי כהונה did create  
For כהנים there were 4, and for the כ"ג there were \_\_\_\_\_<sup>2</sup>

The אפד made of gold, תכלת וארגמן, wool and linen  
With the אבני שוהם by the shoulders with the names of the \_\_\_\_\_<sup>3</sup>

Using the same materials, they made a חושן for the כ"ג to wear  
And the חושן was folded over until the shape was a perfect \_\_\_\_\_<sup>4</sup>

Into the special stones on the חושן, let us now delve  
They had שבטים's names, they were set in 4 rows, and all together there were \_\_\_\_\_<sup>5</sup>

Special messages from ה' the אורים ותומים did proclaim  
Because inside the חושן was put ה' special \_\_\_\_\_<sup>6</sup>

If you thought the חושן and אפוד were separate – then listen closely to this  
They were actually attached with a string of \_\_\_\_\_<sup>7</sup>

The מעיל was made out of תכלת and was truly stunning  
With gold bells on the bottom so everyone knew when the כ"ג was \_\_\_\_\_<sup>8</sup>

The ציץ said קדוש לה' on a piece of gold that was thin  
Placed on the כ"ג's forehead right under where he wore his \_\_\_\_\_<sup>9</sup>

The ציץ brought כפרה for the כהנים every day  
In case a קרבן was brought when it was \_\_\_\_\_<sup>10</sup>

There were 4 בגדים that were worn by all of the כהנים  
First the כתנת which was made out of \_\_\_\_\_<sup>11</sup>

The אבנט and the מכנסים and now there's only 1 left  
The מגבעות for the הדיוט כהן, and for the כ"ג the \_\_\_\_\_<sup>12</sup>

It was time to start the עבודה, into the מקוה Moshe put all the כהנים men  
He put on them בגדי כהונה and anointed them with special \_\_\_\_\_<sup>13</sup>

He brought many קרבנות with a ריח ניחוח going up to heaven  
The entire המילואים ימי was done for days -altogether \_\_\_\_\_<sup>14</sup>

But we still didn't learn about one more כלי  
There was another מזבח called the מזבח הזהב or \_\_\_\_\_<sup>15</sup> מזבח ה

A זר, בדים and 4 corners this מזבח did possess  
And it was used to burn on it the \_\_\_\_\_<sup>16</sup>
