## קרח

קרח argued with משה רבינו – something a little bit insane  
And with him were דתן ואבירם and בן פלח from the שבט of \_\_\_\_\_<sup>1</sup>

250 people joined him when he made this big fuss  
He was upset that he wasn't chosen as the leader of the family \_\_\_\_\_<sup>2</sup>

משה's leadership they tried to dismiss  
Does a בגד that's made out of תכלת even need \_\_\_\_\_<sup>3</sup>

But there was a big mistake that was made by קרח and his men  
משה didn't make any of his own decisions, everything came from \_\_\_\_\_<sup>4</sup>

משה said I will prove who is right through this...  
The 250 men and אהרן should take a pan to bring \_\_\_\_\_<sup>5</sup>

He warned them that this is risky for them to all try  
Because anyone who was not chosen by ה' would surely \_\_\_\_\_<sup>6</sup>

But קרח still didn't listen and continued to rebel  
He was mistaken when he saw he would have a great descendant named \_\_\_\_\_<sup>7</sup>

משה wanted to stop the מה' so a messenger to דתן ואבירם did go  
He pleaded to please come to discuss this – but they said \_\_\_\_\_<sup>8</sup>

דתן and אבירם then said something that was very funny  
Why did you take us out from מצרים the land of milk and \_\_\_\_\_<sup>9</sup>

משה told בני ישראל, if ה' really sent me – a great נס you'll see today  
And he warned them from קרח and his men – everyone must move\_\_\_\_\_ 10

After the עם moved and there was no one around  
קרח and his people were all swallowed up into the \_\_\_\_\_ 11

And the 250 men, that to bring the קטרת did desire  
ה' killed them all by sending a \_\_\_\_\_ 12

And what they did with the pans of these men – you'll never guess  
They flattened it and used it to cover the \_\_\_\_\_ 13 מזבח

The עם complained, a plague broke out and the situation looked grim  
משה told אהרן that קטרת would stop it, something he learned from the \_\_\_\_\_ 14

ה' said, who I choose to be כהן גדול – to everyone I will show  
Every נשיא put his stick in the אהל מעוד and on אהרן's, flowers did \_\_\_\_\_ 15
